Have you seen the draft  
(joint) statement sent  
down from 7?

I have gotten on the list.

Please make sure to  
attend exec session this  
morning.

56 wants to send the  
statement out well before  
noon. I'm worried about  
her doing so before CMs  
have weighed in on the  
statement

MO now says they won't  
move forward with the  
statement till 11:30
